Movement Sense cic has an activities room, movement studio; sleeping / living accommodation; self-catering cooking facilities; access to outdoor land and a gorgeous wood-fired sauna for you to shape your own retreat, course or holiday.

We will offer you a hire- agreement for use of space, but you are responsible for all fees to professionals working with you, and for your catering costs.

We have Standard Bookings available, where we dictate the arrival and departure times, and it includes 1 use of the sauna, (or two if you are here for 7 days).

If you want to shape your retreat over different days there is a non-standard charge. You can work out the cost from the figures below, or ask us for a specific quote.

For self-organizing retreats the maximum residential capacity is 11. For a group of movers/dancers the studio comfortably accommodates a group of 8 people plus facilitator. For yoga or other similar groups there is room for a group of 10 plus facilitator.

For accommodation, you can choose between the cottage, barn or both depending on the size and needs of your group. Sleeping arrangements in each building are described below..

Please email us with your preferred dates and requirements.

You can check the bookings calendar for cottage availability; barn availability is available on request.

A 25% non-refundable deposit is required to confirm booking, outstanding balance to be received 6 weeks prior to start date. Booking terms and conditions apply.
